

WHAT IS USA SWIMMING & WHY SWIM WITH AMERICA'S TEAM?

USA Swimming is the organization responsible for the United States Olympic Swim Team. Their main objectives are to Build, Promote and Achieve.

BUILD THE BASE

All USA Swim programs seek to share the sport and values of swimming with as many people as possible –especially with children who often discover swimming as an activity they can enjoy for a lifetime.

PROMOTE THE SPORT

The more people who learn about swimming, the more will be encouraged to join the ranks of our program. We are proud of this sport and seek to celebrate it whenever possible.

ACHIEVE COMPETITIVE SUCCESS

USA Swimming has been ranked as the #1 swimming nation in the world for more than 40 years and seeks to continue this tradition of competitive success.
